## **Join the Herd or Sponsor the Water Buffalos**

The Water Buffalos started when two AWWA members decided to forgo the airlines and ride their motorcycles from Seattle to ACE05 in San Francisco. At the end of their journey they decided to ride to ACE06 in San Antonio and wondered, "Wouldn't it be great if other motorcyclists also knew our route and could join us along the way?" "What if each rider could get sponsored for each mile they rode and donate that money to Water For People?" And so it began, The Water Buffalo Annual Charity Ride!

Since that first ride the Water Buffalo's membership has grown and has donated over \$ 250,000 to Water For People. We are always looking for anyone who would like to join our cause, whether by riding with us, volunteering to help with an event, or sponsoring a rider. Please visit our website for further details about joining the Herd and learn how your organization can help sponsor your local Water Buffalo!

## **Ride Your Motorcycle and Share an Experience You'll Never Forget!**

The 2010 Charity Ride to Chicago brought in men and women from all over the United States and Canada. Some local riders only rode 100 miles, while others rode over 9,000 round trip miles. Thanks to our riders and corporate sponsors, we raised nearly \$ 60,000 last year and helped raise awareness for Water For People. The planning for this year's ride to Washington, DC is already underway. Please consider donating, volunteering or joining us for the ACE11 Ride.
